

Word of Mouth
The Hotel Breakfast

**A LIGHTER EGGS
BENEDICT**

This one's made with cold-smoked Akaroa salmon, avocado, and lime hollandaise.

BREAD WINNERS

On top of still-warm sourdough loaves, expect banana bread, raspberry muffins, and date scones, all baked in-house.

THE WAKE-UP CALL
Kiwis are known for being pro-espreso. The beans ground for Otahuna's flat whites come from Christchurch's famed Vivace roastery.

Otahuna Lodge, New Zealand

There's no menu at this elegant South Island mansion. Instead, the chefs will make you whatever you feel like that morning—with whatever's fresh from the garden.

ANTIPASTO IN THE A.M.

The kitchen often pairs house-cured coppa and prosciutto with sliced melon from the orchard, drizzled with vanilla bean-infused olive oil and 20-year-old balsamic.
